

IE expo China 2024

April 18-20, 2024

Shanghai New International Expo Centre (SNIEC)

www.ie-expo.com

Asia's Leading Trade Fair for Environmental Technology Solutions: Water, Waste, Air and Soil

IE expo China in Shanghai is the leading trade fair for environmental technologies in Asia. In 2023, it attracted 2,407 exhibitors from 24 countries and regions. On an exhibition area of 196,000 sqm more than 91,007 buyers from 68 countries participated. Thus, IE expo China is the core platform for all stakeholders to push the industry's high-quality development. Hot topics will be related to China's "Double Carbon" objectives, circular economy and the rising demand for green technologies.

The **25th edition of IE expo China** will take place from **April 18 to 20, 2024** at Shanghai New International Expo Centre (SNIEC) with expected growing numbers of exhibitors, visitors and exhibition space alike.
